Dear Sir/Mam,

We are very grateful for the treatment and care given to my brother A. Srinivasa Rao, Chikla after meeting with an accident.

We want to specially mention the time to time follow up by Dr. Kalyan Ram and Dr. Kalyan Ramon regarding arranging the Grango Air Ambulance from Chennai to Coimbatore. During this short period the way they took care of the documentation, ambulance fees and the support in the Grango Air Ambulance is commendable. We are very grateful for that.

We want to offer our prayers and to Dr. Rajeshkar Sir for his immediate reply, ~~and~~ diagnosis, surgery and treatment.

Thank you.

Sincerely,
A. K. Mohan
